

GIRL SCOUTS  
HOME AGAIN

Had a Delightful Time  
While At Camp In Fair-  
fax County.

## RECALL HAPPY DAYS

List of Prizes Awarded At Close of  
Camp—Thanks Tendered for Treats  
While In Camp.

Although the Girl Scouts have  
been back from camp almost a  
week there are many pleasant re-  
miniscences that still cling. Some  
of these were the delightful campfire  
parties, two being ice cream, one  
watermelon and two roasting marsh  
mallows. At some of the parties,  
guests were present, including par-  
ents and friends and even distinguish-  
ed out of town people.

No girl in the troop can ever for-  
get the delightful serenade given by  
some clever x-service men who had  
seen stiff fighting "Over There" on  
the Marine front. To the accom-  
paniment of their own little orches-  
tra, they sang all of the girls' favor-  
ites as well as the usual "glee"  
songs. On this night also was  
present the famous Judge Brown of  
Utah, nationally known for his work  
with children and at present en-  
gaged in this part of the country in  
making a survey for the United  
States Government.

Another very enjoyable night was  
"Stunt" night when every Scout did  
something. Among the distinguish-  
ed performers were: Gladys Hohen-  
stein, who gave quite a number of  
interesting athletic feats; Thelma  
Allen, who presented interpretative  
dances in "costume impromptu";  
Mae LaPorte and Dorothy Eid-  
hammer in readings; little Ann  
Blount in a recitation; and many  
others in original and impromptu  
performances. The original songs  
and choruses composed by Audrey  
Allen and others showed indications  
of budding genius.

Games were another prominent  
feature of the campfire parties. In  
the regular daily games, the Alex-  
andria team had the highest score  
in volleyball and the Snowden team  
in pass ball.

The Girl Scouts especially wish  
to thank Mr. and Mrs. Baylis for  
an ice cream treat, and Mrs. Wheat-  
ley for a watermelon treat also  
Mrs. Fawcett for candy.

At the close of camp, the follow-  
ing prizes were awarded: For best  
scouting spirit displayed in camp,  
Katherine Sloan; for swimming  
race, Sarah Chilcote; for excellence  
in physical culture, Ruth Rudd.  
Elizabeth Eidhammer won a beauti-  
fully illustrated manual of wild-  
flowers for the largest and best col-  
lection found on a wildflower hike  
of one hour. At the end of this  
time she had collected forty speci-  
mens, eighteen of which she was  
able to name. This prize was gen-  
erously given by Mrs. H. B. Can-  
ton whose untiring efforts and  
hard work largely contributed to  
make the Girl Scout Camp a suc-  
cess.

## REPAIRS COMPLETED

Services To Be Resumed Sunday at  
M. E. Church

The Methodist Episcopal Church  
South which has been closed during  
the month of August undergoing re-  
pairs, will be reopened Sunday and  
at both service morning and evening.  
Rev. Dr. E. V. Regester, pastor  
will preach. At 9:30 o'clock the  
Sabbath School exercises will be  
held and will be in charge of J.  
Frank Myers, superintendent.

The work done at the church in-  
cluded frescoing the interior of the  
edifice together with the vestibule  
and halls and lecture room. The  
organ has been revarnished and a  
new indirect lighting system in-  
stalled. The contractors were Win-  
ter and Company, of Washington,  
and Dunn and Montgomery, of this  
city.

## ORDERED OUT OF CITY

Crestfallen and apparently friend-  
less, a colored man giving the name  
of A. Jones, was made to face the  
bar of justice this morning on a  
charge of drunkenness at Union  
Station yesterday afternoon. Ac-  
cording to the police every train  
that passed, he would ask, "Does  
this train go to Richmond?" Finally  
along came a train for Richmond  
and in his condition he made a futile  
effort for the "side door Pullman."  
His arrest followed; Mayor Duncan  
made him happy when he asked:  
"If I let you go can you get out of  
the city in half an hour?" "I cer-  
tainly can; thank you," said Jones  
with his countenance beaming as he  
left to shake the city's dust from his  
feet.

Girl Riding Horse Mys-  
teriously Shot.

White Plains, N. Y., Sept. 2.—  
Miss Alice Agnew, 17 year old  
daughter of Cornelius Agnew, was  
mysteriously shot yesterday while  
horseback riding on the outskirts of  
her father's estate near here. She  
was accompanied by her brother.

TROOP GO TO  
LOGAN W. VA.

Will Disperse Armed  
Bands of Miners In  
Mingo County.

## EXPECT MARTIAL LAW

Situation Appears Critical—Airlanes  
Bomb Miners Today—Bombs Fall  
Near Houses.

Federal troops were today ordered  
into West Virginia to disperse the  
armed bands of miners who are  
threatening an invasion of the Mingo  
county coal regions there.

Major General Harbord, chief of  
staff, announced that he has ordered  
the Nineteenth Infantry from Camp  
Sherman, Ohio, and the Twenty-sixth  
Infantry from Camp Dix, N. J., to  
proceed immediately to West Virginia  
in response to a request from General  
Bandholtz, representative of the  
President in West Virginia.

General Harbord stated that he had  
taken the action without awaiting  
the proclamation of martial law.

The troops entrained about 6  
o'clock this morning, General Har-  
bord said.

General Harbord announced that  
the proclamation of martial law has  
not yet been issued, and indicated  
that it probably would not be promul-  
gated until later in the day. The  
lack of a proclamation of martial law  
will not interfere with the movement  
and operation of troops, General Har-  
bord said.

Logan, W. Va., Sept. 2.—Aerial  
bombs were dropped by Logan de-  
fense airplanes early today.

The TNT bombs caused a hasty  
retreat in miners from the Hewitt  
creek concentration, but no casual-  
ties, according to observers, were  
reported.

The bombs fell near houses oc-  
cupied by the "red necks" army.

## RED MEN PLAN WORK

Seminole Tribe To Hold Big Con-  
vention September 21

The members of Seminole Tribe at  
their meeting last night conferred  
the degrees on several palefaces. A  
large membership was present and  
the chiefs outlined the fall and  
winter work of the tribe which  
means some big and interesting  
events for the Red Men, and mem-  
bers of the Degree of Pocahontas of  
this city. The campaign and pro-  
gram will begin with a big convoca-  
tion of the Knights of the Tin-Pan-  
nies on Wednesday, September 21,  
at which time 150 members from  
Washington will visit the local fra-  
ternity. The delegation will be met  
at the Union Station by the local  
members and march down King  
and Royal streets, where the degree  
of the left will be conferred on a large  
number of candidates.

The 13th anniversary of Seminole  
Tribe will be held on Thursday, Oc-  
tober 6th, at which time a number of  
prominent members of the order  
from Virginia and Washington will  
be present. The committee has ar-  
ranged an excellent program for  
this occasion. The other important  
events will be the Thanksgiving and  
Christmas celebrations and from  
what has been outlined the members  
of the order have a busy season be-  
fore them.

On Monday Labor Day the Red  
Men and members of the Degree of  
Pocahontas will give an all day  
picnic at Lorton Va., at Woodrow  
Grove, the home of Mrs. Thomas  
J. Davis. The trip will be made  
by automobiles, and the fun makers  
will leave the corner of King and  
Royal streets at 7 o'clock Monday  
morning and all members of the De-  
gree of Pocahontas are requested to  
join the crowd and bring their pic-  
nic dinners along.

All kinds of out door sports have  
been arranged by the committees and  
prizes will be presented to winners  
of the various events.

## TWO SMALL FIRES.

Two small fires brought out the  
fire department late yesterday. A  
slight blaze at Hammond's wharf at  
the foot of Cameron street, where  
oil had been spilled, caused the first  
blaze which was extinguished before  
any material damage was done.

Household furniture at the resi-  
dence of Morris Bennett, 222 North  
Royal Street, was damaged by fire  
about 4 o'clock yesterday afternoon.  
Smoldering candles it is reported caused  
the blaze which was subdued with  
chemicals.

## Rites for F. J. Davidson.

Funeral services for Francis J.  
Davidson who died Wednesday night  
at his residence 220 South Royal  
street, were held this afternoon at  
St. Paul's Episcopal Church, and  
conducted by Rev. Percy Foster  
Hall, rector. Burial was in the  
Presbyterian cemetery. Members of  
R. E. Lee Camp Confederate Vet-  
erans were honorary pallbearers.

## STATE NEWS

Amherst.—A movement has been  
started at Amherst to erect, on the  
court house square or at some other  
public place, a monument in memory  
of the Confederate soldiers of this  
county.

Lynchburg.—Local contractors who  
are securing sand and gravel from  
the Rappahannock River for contracts  
in several parts of the State reported  
that their work is being tied up  
on account of the inability of sand  
and gravel dealers to operate be-  
cause of the unusually low condition  
of that river.

Tazewell.—Coal operators of the  
Pocahontas field have made requis-  
ition on Tazewell for the military  
equipment recently used here by the  
Tazewell Rifles. Fifty rifles and 1-  
500 rounds of ammunition were taken  
to Pocahontas tonight where a com-  
pany is being formed to assist the  
West Virginia guards.

Democratic committee have fixed

Fredericksburg.—The appraisers of  
the estate of the late Dr. K. Nelson  
Goodrick, who died intestate, after  
taking an inventory of his effects,  
have reported his estate to be worth  
\$76,076.41 to the Corporation Court.  
The estate will probably be divided  
between Dr. Goodrick's mother, two  
brothers and two sisters.

Heathsville.—A flying machine  
passed over the farm of Ira G. Hin-  
ton, near Lara, Northumberland  
County, one day recently and drop-  
ped two lead weights weighing four  
pounds each, within a short distance  
of Mrs. Hinton and her child. The  
metal weights buried themselves so  
completely in the ground that it was  
necessary to use a grubbing-hoe to  
dig them out.

Norfolk.—One of the biggest shifts  
in assignments of patrolmen ever or-  
dered by the head of the police de-  
partment went into effect last night.  
It involves forty-two men and every  
precinct in the city, including Berk-  
ley. None of the sergeants, lieuten-  
ants or captains are changed, and  
Chief Borland said today the shifts  
have no significance. It is simply  
carrying out the policy of the depart-  
ment, he said, of not keeping any  
one officer on any one beat too long.

Norfolk.—At the annual meeting  
of the Virginia State Board of Ex-  
aminers in Optometry, held at the  
secretary's office yesterday, Dr. Archie  
Smith, of Suffolk, was re-elected  
president; Dr. L. J. Mercer, of Rich-  
mond, vice president; Dr. F. D. Jack-  
son, of Norfolk, re-elected secretary-  
treasurer. Dr. Smith and Jackson  
have been lately reappointed by Gov-  
ernor Davis for three year terms.  
Other members of the board are Dr.  
A. S. Mitchell, of Richmond, and Dr.  
L. E. Rayhorn, of Petersburg.

Petersburg.—As a result of com-  
plaints made by the management of  
the Williamson Auto Supply Com-  
pany that two checks—one for \$20  
and the other for \$15—had disap-  
peared from a safe in the company's store,  
H. R. Harper, auto mechanic, em-  
ployed by this concern, has been ar-  
rested and released on bail, pending  
a hearing in Police Court. Harper  
has secured counsel, and says he will  
produce evidence to clear himself at  
the proper time. Harper is well  
known in this city.

Staunton and Augusta county officers  
during the past few weeks to date  
have netted nine men. Four were  
rounded up today and "hooch" to  
the amount of 12 gallons was con-  
fiscated. Two gallons were corn li-

near Waynesboro, was the possessor  
of the last named, while the Tankers-  
ley home in Staunton netted two  
gallons of corn. Three Tankers-  
ley brothers, Oscar, Herbert and Irvin,  
were arrested, being released later  
under \$200 bond each. Clayton's bond  
was fixed at \$1,000. They are to ap-  
pear before the September term of  
the grand jury.

Norfolk.—What may mean the in-  
auguration of regular cargo sailings  
from Norfolk to French ports has  
been made possible by the com-  
pletion of arrangements for the steam-  
er Strathmore, of the French line, to  
call here for cargo on September 8.  
If the venture proves successful, it is  
regarded as probable that the French  
line, the Compagnie Generale  
Trans-Atlantique is known, may es-  
tablish regular monthly sailings to  
Havre and other ports in France. For  
the past twelve months Hampton  
Roads has had no regular sailings  
for French ports, although up to a  
year ago a considerable amount of  
cargo, chiefly cotton, was handled di-  
rect from this port.

completely destroyed the plant of the

covered by insurance. The plant con-

FIVE HURT IN  
AUTO CRASH

U. S. Army Truck Collides  
With Party of Straw  
Riders.

## ON HUMPHREY'S ROAD

Miss Louella Stout, a Visitor Here,  
Slightly Injured—Colored Driver of  
Alexandria Truck Badly Hurt.

Five persons sustained bruises and  
cuts as the result of an automobile  
collision shortly after 11 o'clock last  
night on the Camp Humphreys road  
while near Woodlawn. The collision  
was between an army truck from  
Camp Humphreys and a truck from  
Alexandria belonging to D. G.  
McWhorter containing a number  
of young women and men on a  
straw ride, both vehicles were en-  
route to this city it is stated.

Three of the injured on the army  
truck were Washington women.  
They were rushed to the base hos-  
pital at Camp Humphreys and re-  
ceived first aid treatment, after  
which they left for their homes in  
Washington. None however, was se-  
riously injured.

Miss Louella Stout, of Bridgeton,  
N. J., who formerly lived here and  
who is the guest of Miss Josephine  
Blake in North Washington street,  
sustained bruises and contusions and  
she was treated at the Alexandria  
Hospital after which she returned to  
Miss Blake's residence.

Robert Mack colored, driver of  
the truck from Alexandria, was the  
most seriously injured of those in  
the party, although Mack refused  
hospital treatment and he is thought  
to be suffering from internal inju-  
ries. The young women in the army  
truck were remaining from a dance  
at Camp Humphreys.

The Alexandria party was enroute  
home after a luncheon at Camp  
Humphreys and Mack driver of the  
Alexandria truck, it is reported had  
parked his machine to return to get  
a basket dropped from the vehicle.  
The army machine struck the left  
corner of his truck throwing his  
backward and running over his body  
at the time Mack was about to get  
into the drivers' place in his machine.

## K. OF P. CONVENTION

Local Committee Makes Plans For  
State Gathering October 4-6

R. H. Bell, grand keeper of rec-  
ords and seal of the Grand Lodge  
Knights of Pythias of Virginia, was  
in the city this week in consultation  
with the final arrangements for the  
convention of Pythians which meets  
in this city on October 4th, 5th and  
6th. The Grand Lodge officer was  
much impressed with the work of  
the local committee, and also the  
interest the business men seem to  
be taking in the convention.

At a meeting last night of the  
local committee it was instructed to  
take the visiting Knights and their  
lady friends on a sight seeing trip  
through Washington and Arlington  
on the last day of the convention.  
On Wednesday evening, October  
5th a ball will be given in honor of  
the Pythians, and invitations for  
this can be had of the committee.

A court of honor will be requested  
and the business men will be asked  
to decorate their places of busi-  
ness. The request will also be made  
that the stores keep their windows  
lighted during the evenings for the  
convention and thus aid the commit-  
tee in keeping the visitors in Alex-  
andria.

This is the first time in thirty  
years Alexandria has had the op-  
portunity to entertain the Grand  
Lodge of Virginia, and as there will  
be about 300 delegates including  
the ladies of the Pythian Sisters,  
the local committee asks the assist-  
ance of the citizens in seeing that  
our visitors are welcomed to our  
city and made to feel that this is a  
good place in which to live.

## Postmaster Congratulated.

Postmaster T. C. Ballenger, at  
Camp Humphreys, Va., has received  
a letter commending his activity in  
the sale of Government Savings Se-  
curities recently from Howard T.  
Cree, director of the Savings Division  
of the Treasury Department in this  
district. "Your office is one  
where exceptionally good work has  
been done during the last six months  
in the sale of Government Savings  
Securities," the letter states, "and  
it is to say 'by encouraging peo-  
ple to save money' you have helped  
to create the new capital necessary  
for business expansion and com-  
mercial development."

The postmaster is in line for a  
place on the honor roll of those who  
are rendering special service in the  
popularizing of Government Savings  
Securities, which is to be made up  
by Treasury officials in the Fifth Fed-  
eral Reserve District the latter part  
of the year and sent to Washington.  
He is anxious to win one of the  
bronze honor pins to be awarded at  
that time, and is calling on the pa-  
trons of his office to help him place  
enough Government Savings Securi-  
ties in the next three months to gain  
this recognition.

Two Alexandrians Injured In Wash-  
ington

Washington, D. C., Sept. 2.—

and Gilmer Toulon, 26 of Alexan-  
dria, are in a critical condition in  
the Emergency Hospital as the re-  
sult of injuries suffered when they  
were run down late last night at  
Seventh and L streets southwest by  
an automobile said to have been op-  
erated by Raymond Lee Hudson, of  
486 N Street southwest.

The couple were struck by the  
machine which, according to the  
police dashed at a high rate of  
speed past a street car from which  
they were alighting. Miss Dodson  
suffered a fractured skull and pos-  
sible internal injuries. Toulon suf-  
fered a badly sprained back and lac-

cinct and is being held without bail  
Charges of colliding and driving an  
automobile while intoxicated were  
entered against the chauffeur.

TWO FLIERS BURN TO  
DEATH IN CRASH

Hampton, Va., Sept. 2.—Cadet  
aviators Adelphi Ferencak, Brook-  
lyn, N. Y., and Samuel C. Chapko-  
witz, Paterson, N. J., were killed  
when their airplane was wrecked  
near Indian Head on the Potomac  
River about 4 o'clock yesterday af-  
ternoon, according to advices re-  
ceived at Langley Field. The re-  
port said that a forced landing had  
been made and that in attempting  
to take off the machine struck a tree  
Officers from Langley field have  
been sent to take charge of the bod-  
ies.

Officials at Langley Field believe  
that fire was started on the DH-4,  
in which the cadets were flying  
when the gas tank was punctured by  
wreckage in the crash. Flames broke  
from the tank and before the ma-  
chine's occupants could extricate  
themselves they were burned to  
death. Neither of the bodies was re-  
cognizable.

The cadets were said to have been  
on their way to Washington to bring  
another machine back to Langley.  
An investigation of the accident has  
been ordered by the commanding  
officer at the field.

## CANTATA "KING SAUL"

The sacred Cantata "King Saul,  
Israel's Fallen King" will be pre-  
sented at Lannon's Opera House,  
corner King and Pitt streets, on  
Wednesday September 21, 1921, at  
8 o'clock, for the benefit of the  
Parsonage Club of the Alfred Street  
Episcopal Church, colored this city.  
The chorus is composed of some of  
the best talent from the different  
colored churches of this city, and  
will present the story in song un-  
der the direction of Professor C. E.  
X. Boisseaux, formerly of Danville.

Lovers of music will appreciate  
this opportunity of hearing this  
beautiful cantata and in addition to  
enjoying the program, will be aid-  
ing a most worthy cause.

## COLUMBIAN PLAYERS

Will Spend Sunday And Labor Day  
At Camp Columbus Leonard-  
town, Maryland

The Columbian Players have made  
all arrangements for an exception-  
ally "big day" over Labor Day.  
Through the courtesy of the Xaver-  
ian Brothers, the Columbian Players  
will motor to Leonardtown there  
to enjoy all the facilities and at-  
tractions of Camp Columbus, situated  
on a spot said to be as beautiful as  
any along the lower Potomac River.  
Leonardtown has for many years  
been the site of Camp Columbus, op-  
erated under the auspices of the  
Xaverian Brothers for young boys  
and this year there were upwards of  
one hundred boys who enjoyed  
throughout the months of July and  
August the pleasures of the camp.  
The camp for boys was formally  
closed on August 28th, but the Xav-  
erian Brothers have offered to keep  
the whole camp intact until after  
Labor Day for the benefit of the  
Columbian Players.

It will be remembered that the  
Columbian Players recently spent a  
day at Benedict Maryland, and while  
the occasion was particularly enjoy-  
able, it is believed that the two day  
feature of the Leonardtown outing  
will make it even more enjoyable  
than the one held at Benedict. The  
bathing at Leonardtown is ideal and  
there will be a variety of pleasures  
in the form of boating, fishing, and  
crabbing. The party will leave  
Alexandria shortly after the seven  
o'clock mass Sunday morning, and  
will return around midnight on La-  
bor Day. In addition to the players  
it is understood that a number of  
the players' parents will take in the  
outing. On the evening of Labor  
Day the dance committee for the  
occasion has completed plans for a  
big dance which will be held in one  
of the permanent buildings of Leon-  
ardtown.

## TWO MORE RESCUED.

machinist's mate, of South Carolina,  
and Robert M. Coons, chief ma-  
chinist's mate, of Owensboro, Ky.,

WASHINGTON  
DAY BY DAY

(From Our Special Correspondent.)

Washington, Sept. 2.—President  
Harding cast a bombshell into the ad-  
vocates of disarmament and reduced  
armies and navies when before the  
students of the Army War College, he  
declared:

"No matter where the best aspira-  
tions of the world may lead us, there  
may never be a time without the nec-  
essity for armed forces."  
Coming on top of the forthcoming  
conference on disarmament and Far  
Eastern questions scheduled to open  
in Washington on Armistice Day,  
November 11, the utterances of the  
President caused somewhat of a sen-

very plain in the course of his re-  
marks that he was hopeful that all  
the nations of the world would make  
an effort to reduce their armies and  
navies, he declared that it is per-  
fectly futile to think that there never  
will be armed conflict in the world.

tlement has been reached that appar-  
ently is satisfactory to both the  
United States and Japan. It is ex-  
plained that Secretary of State  
Hughes and Baron Shidehara
